

THE METAL INDUSTRY

WITH WHICH ARE INCORPORATED
THE ALUMINUM WORLD: COPPER AND BRASS: THE BRASS FOUNDER AND FINISHER:
ELECTRO-PLATERS REVIEW.

Index of Volume 13

JANUARY—DECEMBER, 1915

THE METAL INDUSTRY PUBLISHING COMPANY, 99 John Street, New York

ARTICLES MARKED (*) ARE ILLUSTRATED.

ARTICLES

A

| | Page. |
|---|----------|
| Abrasives | 101, 148 |
| *Alloy, Acid-Resisting, The Development of | 457 |
| Aluminum Bronze, Titanium | 190 |
| Aluminum Chips, Melting | 417 |
| *Aluminum, Collapsible Cup | 489 |
| Aluminum Conditions | 21 |
| Aluminum Die Casting a Commercial Achievement | 412 |
| *Aluminum: Its Origin and Susceptibility | 105 |
| *Aluminum, Recent Developments in | 453 |
| *Aluminum Tubes, Small | 55 |
| *American Bronze Company's New Plant, The | 447 |
| *American Electro-Platers' Society | 226 |
| *Ammeter and Voltmeter, Proper Use of in the Plating Room | 67 |
| Application of Overhead Charges | 504 |

B

| | |
|--|-----|
| Brass and Copper Plating Solutions, The Control of | 68 |
| *Brass, A Note on the Annealing of | 65 |
| *Brass Cartridge Cases, The Annealing of | 375 |
| *Brasses, Structural, The Failure of | 179 |

C

| | |
|---|-----|
| *Casting from Life, The Art of | 323 |
| *Castings, Precision | 11 |
| Chemical Salts, Preparation of Various | 10 |
| Cleaning and Plating in the Same Solution | 214 |

Page.

| | |
|--|-----------------|
| Brass Finishing and Coloring | 144 |
| *Brass Foundry, Efficiency in the | 327 |
| Brass Foundry Equipment and Management | 5, 61, 186, 452 |
| Brass Foundry, Practical Suggestions for the | 89 |
| Brass Foundry Profits | 364 |
| *Brass Foundry Sweepings, The Treatment of | 187 |
| *Brass Goods Manufacturing Plant, A | 203 |
| *Brass Hose Couplings, Dimension Standards for | 111 |
| Brass Manufacturing Plant, Rapid Working Methods in a | 19 |
| *Brass Working Ingenuity of the Arabs of the Desert | 108 |
| *Bronze in History-Making | 51 |
| Bronze, Manganese | 462 |
| Bronze, Manganese, The Manufacture and Uses of Wrought | 410 |
| *Bronze Monument, Molding and Casting a | 93 |
| *Bronze Specifications, Government | 273 |
| Bronzing Processes Suitable for Brass and Copper | 164, 501 |

Page.

| | |
|---|-------------|
| Copper Alloys, Fatigue of | 283 |
| *Copper Alloys With Notes on Brass Foundry | 318 |
| Copper Cyanide Solutions | 493 |
| *Copper and Brass, Heat Treatment of | 275 |
| Copper Cyanide Plating Solutions | 95 |
| Copper Plating as Used for Purposes Other than Ornamental | 458 |
| *Cores, The Manufacture of | 230 |
| Cruible Business, The | 14, 54, 107 |

D

| | |
|--|---------------|
| *Dayton, Ohio: The Electro-Platers' 1915 Convention City | 179 |
| Deposit, Determining Weight of | 152, 277, 500 |
| *Die Castings | 62 |
| Die Castings, The Plating of the Peasblow | 373 |
| *Die Holders | 100 |

E

| | |
|---|-----|
| *Efficiency in Railroad Operation | 288 |
| *Electro-Platers' Convention, The | 223 |
| *Electro-Plating Plant, A Twentieth Century | 331 |

290190

| | |
|---|-----|
| *Electro-Plating Solutions, The Testing of... | 20 |
| Electro-Plating with Cobalt..... | 240 |
| *Etching by the Transfer Process..... | 0 |

F

| | |
|---|---------------|
| Factory Cost Accounting | 286 |
| Factory Drives | 0 |
| First Aid Treatment | 110 |
| *Flatware Manufacture, The "Wilzin" Process of | 374 |
| *Foundries, Ventilation in | 498 |
| *Foundrymen's Convention, The..... | 358, 401 |
| Foundry Operations, Safety in..... | 198, 242, 284 |
| *Foundry Practice, Present-Day Aspects of English | 97, 148 |

G

| | |
|---------------------------------------|----------|
| *German Silver | 229, 322 |
| Gold and Platinum Plating..... | 169 |
| Grease by Electricity, Removing..... | 192 |
| *Grinding Machines, Safeguarding..... | 492 |
| Grinding Wheels | 450 |

J

| | |
|--|-----|
| *Japanning, Its Origin And Development.... | 58 |
| *Jewelry Factory, A Model..... | 365 |
| Jewelry Stock, Dead | 8 |

L

| | |
|--|-----|
| Lead Plating Baths, Preparation and Operation of All | 184 |
| Lead, The Electrolytic Assay of..... | 463 |
| Lubricating Oils, Metal Trades, in the..... | 188 |

M

| | |
|--|----------|
| Machine Friction, How to Reduce..... | 409 |
| Magnesium from Turnings, Reclamation of..... | 455 |
| Metal Coloring by the Corrosion Process..... | 17 |
| *Metal Goods, Manufacturer of, for Sixty Years | 100 |
| *Metals, Non-Ferrous Scrap, The Foundry Use of | 140, 194 |
| Metals, Old, Standard of Classification for..... | 143 |
| Metal Statistics from the United States Geological Survey, Some | 334 |
| *Metal Work, Art, Its Influence of Style on the, of Modern Times | 18, 324 |
